The Arlington HS Admiral Winter Guard is the defending Scholastic A Class Champions. The 2010 show will be a fast-paced, intense continuation and step up from the 2009 program. **Attendance and a full commitment to the program is a requirement.**

With very prudent planning and the great support of the Arlington Band Boosters, Inc. as well as the Arlington Central School District, we are able to keep costs at a minimum for our members. The winterguard fee is dependent upon the finalization of the budget. **No student should opt out due to financial reasons**, there are options to help.

The 2010 Arlington Admiral winterguard is open exclusively to members of the 2009 marching band. Participation is optional, but provides immense training. The success of the winterguard program has a significant impact on the marching band color guard's excellence. It is an essential component of maintaining the elite status of the Arlington performance groups.
